An individual who is enrolled in the NAIT Denturist Technology Program, may register with the College as a Student Member. Student membership is not mandatory nor is it a prerequisite for application for registration as a Provisional Regulated Member.

The fees charged to Student Members of the College of Alberta Denturists will fund costs normally incurred by the College.

- Pursuant to the College of Alberta Denturists Bylaws, notification of fees will be provided to each Student Member at least thirty (30) days before the fees are due. The notification will state the amount of the fees, the date at which payment is required, and the consequences of failure to pay on or after that date. The notification will be sent by Ordinary Mail to the last known address of the Student Member, or in the case of initial registration, to the Dental Health Sciences department at NAIT.
- Each Student Member must pay to the College of Alberta Denturists, an annual Registration Fee, by the date required by the College.
- Payment of the invoiced fees is due in full on or before the date specified by the College.
- Upon payment of the invoiced fees, the Registrar will issue to the Student Member, a written confirmation that the Student Member is registered, subject to his/her compliance with the Act, the Regulations, and the Bylaws.
- The Student fee is based on a school calendar year; more specifically, September to June.
